Holt Elements of Literature is a high school English textbook series developed as a supplement to the Holt Reader grade 10. The textbook is designed to be used in conjunction with the Holt Reader to provide a comprehensive English literature curriculum for students.

The book covers a range of topics, including short stories, poems, essays, and plays. It is divided into units that focus on different periods in English literature, such as the Middle Ages, Shakespearean drama, and the 19th century. Each unit includes a variety of reading selections and activities designed to help students develop critical thinking skills and a deeper understanding of literature.

The group of students is interested in literature. They can see the benefits of using this textbook in conjunction with the Holt Reader to provide a comprehensive English literature curriculum for students.
